Frederick County Government is pleased to provide speakers for community gatherings, events, and meetings.

Staff are available to present on a wide variety of topics. You may be wondering why, but for us it's straightforward: we want to build strong relationships with our citizens by providing presentations on topics ranging from the day-to-day operations of County Government, how your tax dollars are spent, parks and recreational activities, fire safety, crime prevention and intervention efforts, and more.

Without beating around the bush, we want to be your go-to source for information!

Presentations are generally between 10 and 20 minutes and are conversational in style. County Representatives are always available for question and answer sessions pertaining to their topic.

There is no charge to your group or organization, just a 30-day notice in advance of when you need us. So, what are you waiting for?

Arrangements should be made through the Public Information Officer, Karen Vacchio, kvacchio@fcva.us, 540-722-8307.

Some topics to consider:
