ESTIMATED TAX PAYMENT OPTIONS

Use the following options to make estimated tax payments. For more information about filing requirements and how to estimate your taxes, see [Individual Estimated Tax Payments](#).

Online, directly from your bank account (free)

[Log in](#) to your online services account and choose *Estimated tax payment (760ES)*. Using your account, you can:

- schedule all 4 quarterly payments in advance,
- save your banking information,
- view your account history, and
- receive confirmation that we've accepted your payment.

Don't have an account? [Enroll now](#). You'll need a copy of your most recently filed Virginia Tax return to enroll.

Not ready to create an account? Pay from your checking account using eForms - make sure to choose the correct voucher number for the payment you're making.

- Individual estimated payment: [760ES eForm](#)

ACH credit

Pay by ACH credit and initiate sending payments from your bank account to Virginia Tax's bank account. See our [Electronic Payment Guide](#) for details on requirements and set-up with financial institutions, which may include fees.

Credit or debit card (additional fee)

Pay using a credit or debit card through [Paymentus](#) (choose "*Individual Estimated Tax Payments*"). A service fee is added to each payment you make with your card.

Check or money order

Mail the correct [760ES](#) voucher for the tax period to:

Virginia Department of Taxation
P.O. Box 1478
Richmond, VA 23218-1478

Attach check or money order payable to Virginia Department of Taxation. Include your Social Security number and the tax period for the payment on the check.

Payment Fee - Returned Payments: If your financial institution does not honor your payment to us, we may impose a \$35 fee (Code of Virginia § [2.2-614.1](#)). This fee is in addition to any other [penalties and interest](#) you may owe.

How to make an estimated payment

We offer multiple options to pay estimated taxes.

- Log in to your [individual online services account](#) and choose *Estimated tax payment (760ES)*. If you don't have an account, [enroll here](#). You'll need a copy of your most recently filed Virginia tax return to enroll.
- Use the [760ES eForm](#). No login or password is required. Make sure you choose the correct voucher number.
- ACH credit. Pay by ACH credit and initiate sending payments from your bank account to Virginia Tax's bank account. See our [Electronic Payment Guide](#) for details on requirements and set-up with financial institutions, which may include fees.

See all options to [file and pay estimated taxes](#).

Electronic filing requirement

Taxpayers who make estimated tax payments must submit all of their income tax payments electronically if:

- Any installment payment of estimated tax exceeds \$7,500 or
- Any payment made for an extension of time to file exceeds \$7,500 or
- The total income tax due in any taxable year beginning on or after Jan. 1, 2018 exceeds \$30,000.

If any of the thresholds above apply to you, all future income tax payments after July 1, 2018 (beginning with the Sept. 15, 2018 estimated payment) must be made electronically. This includes all payments for estimated taxes, extensions of time to file, and any other amounts due when a return is filed.
