**DEMOLITION
PERMIT APPLICATION REQUIREMENTS**

1. The name of the current owner of the property or lot and the tax map identification number (this number may be found on your real estate bill.)
2. The location of the property or lot (specific directions are required and must include the street name and/or state route number.) The magisterial district is required. The name of the mobile home park and lot number, if applicable.
3. The job value for the demolition.
4. A letter from the utility provider (gas/electric) company stating that services have been disconnected from the structure.
5. For buildings constructed prior to January 1, 1985, an asbestos affidavit is required.

Additional information may be required depending on the specifics of your project

Your permit application will be reviewed by:

- a) The Zoning Department to ensure compliance.

You will be contacted when your permit has been approved and is ready to be issued or if there is any additional information required to complete the review process.

Should you have any questions regarding your plans after your permit has been issued please contact us at 540-665-5650.
