basicREC is MORE: MORE SPORTS, MORE IMAGINATION, MORE ACTION, MORE FRIENDS, MORE FUN!

basicREC

The basicREC program is available to all Frederick County Elementary School aged children enrolled in Frederick County Public Schools. Our goal is to provide participants with recreational opportunities before and after school! Children will engage in active games and have the opportunity to participate in art projects, crafts, sports, along with many other activities. Weather permitting, most activities will take place outside. Once all planned recreational activities have taken place, children may have the opportunity to do homework.

Late Pick Up / Non-Pick-Up of a Child

This policy also applies to Teacher Workshop Camps, Inclement Weather Days, Winter and Spring Break Camps and/or any time you are asked to pick up your child for special circumstances (illness, lice, behavior, etc).

If a child remains after closing, staff will attempt to reach the parents and the emergency contacts listed on the registration form. PROGRAM EXPECTATIONS AND DISCIPLINE POLICY INFORMATION

Proper Attire

Since we are an active program, children will be running and playing outside. Please dress your child accordingly which includes sneakers, jackets, etc. **Make sure your child brings sneakers with them if they are not wearing them to school, otherwise they will not be allowed to play in the gym or on the playground.** Frederick County Parks and Recreation is not responsible for any lost/stolen or damaged personal property.

Behavior Expectations

Expectations are included so parents and children are informed of the behavior required for the enjoyment and safety of the children involved with the programs.

1. Children should expect to have fun! If they are not enjoying the program or are having difficulties, they should talk it over with the Recreation Technician.
2. Children should be treated with respect and in turn, are expected to be respectful of each other, the property of others, and the program staff.
3. Children must respond to staff direction when told to do so.
4. Children are expected to stay with their designated group and leaders during the program.
5. Children must be aware of the specific expectations and follow any safety rules that pertain to their program site.
6. We are not responsible for any personal belongings brought to the program.
7. All participants must be potty trained. Any child that experiences three bathroom accidents within a thirty day period may be suspended from the program for the remainder of the school year or from CAMP basicREC. If a participant soils themselves the parent/guardian will be required to pick up your child or bring a change of clothes. FCPRD staff is not permitted to change or clean up any child who has soiled themselves.
8. Use of electronic devices is permitted but not encouraged. Participants should not be using another participant's electronic devices. Participants should not sit together while using electronic devices unless they are working together on an educational activity or playing the same game together on separate devices.

Discipline

Our goal is to provide a safe and enjoyable recreational atmosphere for all children in the program. If discipline problems do arise, we may ask your support in dealing with the situation. The program staff will handle these situations in a caring and professional manner. If it becomes necessary for program staff to discipline your child, the following process will take place:

1. A child will be given a verbal warning and re-directed.
2. If the verbal warning is not heeded, "Time Out" will be used. The child will be seated away from the group for a time period of one minute per year of their age.
3. If the child's behavior continues to be disruptive, an incident report will be written. This is a description of the behavior and the actions taken by staff in dealing with the behavior. Parents will be given a copy of this report and the program staff will explain the situation and answer any questions you or your child may have.
4. If the situation warrants, you may be called and asked to pick up your child immediately. When this occurs, an incident report will be available. As a reminder, late fees may apply if your child is not picked up as scheduled.

5. Written incident reports may result in a one to three day suspension from the program and multiple incident report may result in expulsion from the program and/or all FCPRD programs for a minimum of six months or for a period of up to two years depending on the circumstances.

6. If at any time a child's behavior warrants, immediate suspension or expulsion from the program is possible. This includes but is not limited to the destruction of property, biting, spitting, instigating a fight, and fighting. Parents should review the Behavior Expectations and Discipline Policy with their child.

The above order of discipline is a guide; however staff may skip steps depending on the severity of the behavior up to and including immediate withdrawal from the program. Your child may also be removed from the program if for any reason the parent or guardian becomes hostile with FCPRD staff and/or other children in the program. This includes any inappropriate language, threats, or physical harm.

Open Lines of Communication

Parents are encouraged to contact their Recreation Technician with concerns, comments, or questions regarding their child's experience. Further discussion can be had by contacting the basicREC Manager at 540-665-5678.
