- DATE:** Tuesday, December 15, 2015
- TWO TIMES:** 0900 and 1830 Hours
(Register For One Session)
- LOCATION:** Frederick County Public Safety Building
1080 Coverstone Drive, Winchester
- PREREQUISITES:** EMT certified, minimum of six (6) months.

Through accreditation with the Virginia Department of Health – Office of Emergency Medical Services, we are able to offer the Advanced Emergency Medical Technician certification course. In an effort to select the best candidates for this course, a pre-test shall be given to determine the course enrollment. The test will consist of fifty (50) Emergency Medical Technician (EMT) level multiple-choice questions, and fifty (50) general aptitude questions, based on reading comprehension, mathematic skills, and logic. There is no cost for taking the pre-test, however, it is limited to the first forty-eight (48) registered candidates for each session. Testing results and class admission offers will be completed by Friday, December 18, 2015. Please register on-line using our Online Registration System (ORS) at training.fcfrd.com. The Advanced EMT Academy will begin Tuesday, February 2, 2016 and end June 26, 2016 with practical and computer adaptive testing completed afterwards. The cost for the class is \$600 for tuition, background check, drug screen, clinical uniform, and access to documentation software. Costs associated with psychomotor testing and computer adaptive testing are the responsibility of the students upon completion of the course.
